# *The Deben*

## *Luxury hospitality unit*

Our 2+1 luxury hospitality unit comprises of 2 ladies toilets with 2 hand wash basins and 1 gentlemen's toilet with a hand wash basin and 2 urinals.

Completely self contained, it provides fully flushable toilets and hot and cold running water.

The dimensions of this trailer unit are 24 ft long, 8 ft wide and 10ft high.

It requires either a MAINS electricity connection or a 3.5 KVA generator.

It is delivered by a 4x4.

It is suitable for upto 150 guests.

# *Self contained event units*

Our standard event toilets are dark green units with a recirculating flush system chemical toilet, a cold water hand wash basin, hand sanitizer and paper towels.

These toilets require no connections to water or sewage.

All our event toilets are kept solely for events.

Some of these event toilets have electric lights for evening functions.

We also have disabled accessible toilets available for short and long term hire.

One toilet is suitable for 100 guests for an all day event.
